

Take the Time: Check In With Your Marketplace Plan

Stop & Think...

- How much money did I say I would earn when I enrolled in my plan?
 - Will I make more or less money this year?
 - Has there been a change in my life—marriage? divorce? new child?
- If so, it's time to make a change on [healthcare.gov](https://www.healthcare.gov)!

Why Does It Matter?

- Changes can affect the amount of money you get to help pay your premium (your PTCs).
- Keeping up-to-date means you are getting the right amount of money in help.
- It avoids unwelcome news at tax time!

Need to Make a Change?

Two steps:

- Contact HAAM.
- Get help from the experts at Foundation Communities.
