Pt VI, Line 15a,b:

HAAM conducts market surveys to ensure compensation for the Chief Executive Officer (and all employees in their system) are comparable to other positions with similar duties in the community. This process is recorded in HAAM's internal HR records and determinations are made based on the collected data, inflation and market conditions, and organizational growth.

Part IX, line 7,9, & 10:

HAAM contracts with an external payroll company to provide payroll services (including payroll taxes) and benefits management. The amounts reported by that external payroll provider are listed here.

Part IX, line 24b:

This expense is related to the HAAM direct healthcare program. HAAM is contracted with over 60 private practice dental offices and refers enrolled musicians to a dental practice near their home address. The private dental office bills HAAM for services rendered and HAAM pays the dental practice office directly.

Pt VI, Line 2:

Two board members are volunteer board of directors of two other board member's companies. Several board members have other various business relationships between their respective companies; however, these relationships consist of business transactions in the ordinary course of each party's business on the same terms as are generally offered to the public, and as such, are not reported here.

Pt VI, Line 11b:

Two board members are volunteer board of directors of two other board member's companies. Several board members have other various business relationships between their respective companies; however, these relationships consist of business transactions in the ordinary course of each party's business on the same terms as are generally offered to the public, and as such, are not reported here.

Pt VI, Line 11b:

The process by which the HAAM board reviews the 990 prior to submission is as follows: The first draft goes through the finance committee which is made up of 6 of the 16 board members. After they review and provide feedback, the tax preparer makes changes. Once the final draft is ready, the 990 is sent to the full board electronically for their review and feedback. The Finance Committee chair collects the feedback (if any) and works with the tax preparer to make changes which are then sent back to the full board before submission of the 990.

Pt VI, Line 12c:

The process by which the HAAM board regularly and consistently monitors and enforces compliance with this policy is that the Executive Director and Board Chair review the conflict of interest forms when they come in annually and confirm that there is nothing on the forms that indicate a situation where there might be a conflict of interest.

Pt VI, Line 19:

HAAM publishes an annual report each year and makes its financial statements available through this document. This document is mailed to donors and has a prominent location on the HAAM website. HAAM's governing documents and conflict of interest policies are made available through their inclusion in Form 1023 and are available upon request.
