

HOST A FUNDRAISER FOR HAAM!

Thank you for your interest in hosting a fundraiser for HAAM! We refer to events hosted by our supporters as Community-Led Events. We'll support your event as we are able, but you're in control of running the show. Once you've determined your level of support, please fill out [this form](#) and our team will be in touch with more info. We're extremely grateful to the community for all the support, however, we are unfortunately unable to accommodate every event due to the high volume of requests we receive.
